

Name:

Group "Adv School Math A"
HOMEWORK

Lesson 12

All homework is to be completed in your Beast Academy online account. Your teacher can see your progress, but bring any questions to class to be discussed. If you need any help finding any sections in Beast Academy Online, please don't hesitate to reach out.

Finally, if you're looking for additional practice with Kangaroo problems or other math, feel free to look at the Archimedes and Gauss groups homework each week - password is "gkrs21".

Homework: Beast Academy 2, Chapter 5: Expressions

- Read "Symbols" pages 55-59 in the guidebook and complete problems in sections
